

OUR SCHOOL VISION AND VALUES

The vision of the school

All Saints' ethos recognises that everyone is important, valued and special. We have high aspirations so that all can flourish, and want everyone in our community to: love life, love learning and love each other.

Everything we do is underpinned by John 13:34.

“A new command I give you: Love one another. As I have loved you, so you must love one another. John 13:34

Loving to learn; learning to love underpins everything we do!

The 6 values of our school are: Love, Care, Respect, Redemption, Neighbourliness and Acceptance

As a church school we offer something distinctly different, a spiritual dimension to the young lives of our learners within the traditions of the Church of England.

We are a very caring school and pride ourselves on our ethos of family. Through our Christian Values, we teach children to care for friends, family and the community. We celebrate the common values we hold as a community, and use our Christian values to promote love in action. We offer family events throughout the school year so children can learn with their family in school. We value all in our community as individuals and God's children. We create relationships in which mutual respect and Christian love are apparent to all and felt by all.
