## *Loving to learn, learning to love*

23<sup>rd</sup> March 2020

Dear Parents

It is really important that you only send in your child to school when you are working, if you are at home you need to be keeping your child at home.

This advice come from the Government who are keen for schools to stay open only for a very few children. Schools have shut so that people can stay at home and keep themselves out of harm's way.

We need to be socially responsible and stay at home if at all possible.

If your child comes to school, there will be a lot of things that are different.

We think it would be really helpful to talk these through with your child beforehand. We will be asking the children to come in on their own to the hall handwashing will be the first activity. Each child will be given a classroom that will be there base for the weeks to come. Please do not bring in anything from home other than your coat.

We will be maintaining all safeguarding procedures.

We will be maintaining social distancing and staggering break times, please talk to your children about this.

We will be maintaining our high standards of behaviour and expect children to continue this.

We thank you in advance for supporting us as we support all the key workers in keeping the country well.

Yours sincerely

Mrs R Hutchinson  
Headteacher
