

All Saints' C of E Primary School

Newsletter

Loving to learn; Learning to love

Everything we do is inspired by:

"A new command I give you: Love one another. As I have loved you, so you must love one another." John 13:34

Wednesday 7th October 2026

Headteacher's Message

Dear Parents and Carers,

It was lovely to welcome so many of you to All Saints' Church for our Key Stage 2 Harvest Festival on Monday morning and to school in the afternoon for our younger children's Harvest Festival. Both services were beautiful and were led wonderfully by the children. The singing was incredible and, along with the prayers and blessings shared by the children and Father John, provided the perfect way for our Church school community to come together and give thanks to God. We hope you enjoyed the services as much as we did, and we thank you for joining us both at Church and in school.

As well as this newsletter, we communicate through the Arbor Parent App, which can be downloaded from your app store. The links are at the foot of this page. If you do not have a password link, please contact the school office and they will arrange this for you. If you have not yet booked your Parents' Evening appointments, now would be the perfect time to download the app!

Please keep an eye on the key dates included in this newsletter, as they will be updated regularly as events approach.

Best wishes,

Mr N Brompton
Headteacher

Key Dates 2026

Parents Evenings:

- Wednesday 14th October
- Thursday 15th October

BOOK ON ARBOR
Phonics Cafe for Y1
Parents 8th October

Class news

In **Year 1** this week, we have been learning about the Christian story of Creation. We have created actions to help us remember the order of what happened on each day, and we are now making artwork to display in our corridor to represent each part of the story. It has been lots of fun, and it linked very nicely to our Harvest Festival this week, as we have been sharing different parts of our wonderful world that we are thankful for.

Year 6 had an enjoyable morning at Arthur Mellows Village College last Friday, taking part in a basketball festival. The children were taught warm-up exercises and basketball skills by sixth form Sports Leaders before taking part in a series of matches.
