Headteacher's Message

Dear Parents / Carers,

Across the school, planning and preparations for our Christmas events are well under way, and you can feel the excitement building. We'll try not to mention it to the children too early!

We welcomed Jenny and Abi from Kingsgate Church into school on Monday afternoon, and they led Collective Worship for us on the theme of 'Gratitude'. We were so impressed with the children's responses, and your children really are fantastic at showing their gratitude and being thankful. The children know that not everybody in the world is as fortunate as they might be, and they always want to do things to help others. We currently have two appeals running across school, and it would be great if they could be as well supported as they have been in previous years. The first one is the Christmas Present Appeal through The Salvation Army. Please send in any wrapped presents to the school office. The second appeal will come home on an email this week, and is a Christmas Shoebox Appeal to send to Ukraine. This is being organised through All Saints' Church, and we know that our donations in the past have been gratefully received. Any contribution that you can make to this would be very much appreciated.

School photos are on Thursday (tomorrow), so please remember to tell the children to wear their best smiles to school!

Best wishes,

Mr N Brompton
Headteacher

If you would like more information about school, head over to our website with this ink.

We need your help this season to support two worthy causes: The Salvation Army and Children of Ukraine. By donating new, toiletries, non-perishable food and small toys, you can show love in action and make a child's Christmas.

Class News

Explorers children had a wonderful time with Allie from Lindy Lou's Sensory Classes. She turned our immersive space into an action, singing and dance session, complete with bubbles and a glow in the dark experience.
