Dear Parents/Carers

We have enjoyed a very positive and productive half term and are very pleased with how the children have returned to school. Many thanks for your ongoing support during these unprecedented times - it really does make a difference. I hope next week you have a chance to recharge your batteries and spend quality time with your loved ones, Kind wishes Mrs. Hutchinson

MEDICAL FORMS/DOCTORS APPOINTMENTS

If you have not already done so, please return to the school, **as soon as possible**, your completed up to date medical form. It is important that we are aware of any children who have any conditions or allergies. Also we strongly urge you not to book routine doctor's appointments during the school day

SECONDARY TRANSFER APPLICATIONS

The deadline for applications is 31st October 2020! If you are struggling to fill in the online application, please come and speak to the office staff as soon as possible.

DON'T FORGET

- **PARENTS' EVENINGS** are the week beginning **2nd November**. Letters were sent home yesterday and the booking system for our upcoming parents evening is now live. Our system is a web-based portal which will allow you to login and select a meeting time that is best suited for you. You can access the portal by going to our website, www.allsaints.peterborough.sch.uk.

FLU IMMUNISATION DAY – Monday 30th November 2020

SCHOOL PHOTOGRAPHER

On **Tuesday 10th November** the school photographer is coming into school. The photographs will be available to purchase before Christmas and will be taken by PSP with the opportunity to view and order the photographs on-line. We have been in contact with PSP and we are satisfied they have covid-safe procedures put in place. These procedures will inevitably mean that the photographs will take longer than usual to carry out and this, combined with the rigorous bubbles within school, means that unfortunately this year we will **not be able to offer sibling photographs**. Could we please request that pupils come in **school uniform on this day**, even if it is their usual PE day. All children will be photographed, unless permission has previously been withdrawn by parents. Those children whose parents did not give permission for photographs to be taken by an external school photographer on the permission letter (sent home in September or received in new starter packs) will not be photographed unless a new form, giving permission, is received.

SCHOOL NURSE VIRTUAL DROP IN SESSION

Just a reminder that a school nurse will be available on **Monday 9th November at 9:00-12:00** to discuss with parents any medical concerns or issues. Please phone the office in advance to book an appointment.

CHILDREN IN NEED Friday 13th November will be a non - uniform day to celebrate Children in Need - we will be serving hot chocolate at playtime to all children and serving a small biscuit for them to enjoy. There is no expectation of a donation this year

OTHER IMPORTANT DATES FOR YOUR DIARY:

M and M production is visiting on the **2nd November** and will be performing to years 4 and 5 only. Each year group will have a separate show and we will ensure strict social distancing between the performers and the children. The show is the Wizard of Oz and later in the year we will endeavour to provide a live theatre experience to all other year groups.

HOT SCHOOL DINNERS

The school continues to provide hot school dinners to all children in EYS and KS1 and children in KS2 who are eligible for FSM. Due to rigorous cleaning procedures between each class bubble we are restricted in the number of meals we can serve in the hall. However, after half-term we would like to extend our offer of hot dinners to KS2 children as we know many parents are keen for older children to have a hot dinner on a regular basis. To ensure all KS2 children have a chance to sample the week's menu we have created a rota below for when your child can order a school dinner but we would prefer all dinners to be paid via parent pay as we wish to be a cash free school. Below is the set menu for the next half term. Due to the very high uptake on a Friday by our younger children we are unable to offer a meal on this day of the week to KS2 children.
