The Governors

All Saints' Primary School is a Church of England school which is part of the wider Christian community. The School benefits from strong links with our local parish church, All Saints', and the support of the Peterborough Diocesan Board of Education.

As set out in the School's aims, Christian values are at the heart of all that we do. At

All Saints' Primary we believe that a successful partnership between the School, the church, the parents and the child helps each pupil to take full advantage of all that the School has to offer.

The following Agreement supports this partnership in the interests of our children.

TOGETHER WE WILL:

- ❖ Promote high standards of work and behaviour.
- ❖ Support the values of the School.

Our Ethos

All Saints' school exists to promote the Christian values of love, care, respect, kindness, neighbourliness, acceptance and responsibility and to provide a quality education for all children.

The school is concerned that pupils develop their full potential and attaches high priority to strong links between school and home within a multi-cultural community.

Our Fish Philosophy promotes:
Choosing the right attitude, being present, having fun and making someone's day.
