Aims and objectives for Sports' Premium Spending 2020 -2021

At All Saints' Primary School we aim to establish a sporting culture that enables and encourages all children to play and enjoy sport. We have established a number of after-school clubs for our pupils offering a wide variety of sporting opportunities for our children. We provide Physical Education (PE) lessons to all children across the school that enhances their learning in Dance, Gymnastics, Games and Swimming.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Indicators of such improvement to include:

There are 5 key indicators that schools should expect to see improvement across:

- 1** The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- 2** The profile of PE and sport is raised across the school as a tool for whole-school improvement.
- 3** Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- 4** Broader experience of a range of sports and activities offered to all pupils.
- 5** Increased participation in competitive sport.

We have outlined below what we are currently going to use the sports premium funding for. We will be updating this document continuously and following the guidance closely to ensure we are able to provide a rich and broad range of experiences but do not compromise our response to covid-19.
