## Targets

All children have 5 weekly targets that they work on with the adults in Explorers.

Targets are carefully thought out based on your child's needs and they will correlate to their EHCP or outside professional reports.

All targets are reviewed within the team weekly and changed if we feel that your child has achieved them.

All are recorded within target books. Please ask at drop off if you would like to see your child's target book.

## Daily Numeracy

In explorers, we teach Maths on a one-to-one basis. Your child's on-to-one session is based on where they are currently at in their learning development. Following this, the children can then explore their learning about numbers and shapes within the provision too.

## Daily Phonics

All children enjoy our jolly phonics song.

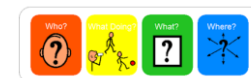

When they are ready, they engage in one-to-one phonics with an adult following the Read, Write, inc scheme.

## Language

- Throughout every day, we have a consistent approach to language.
- We start with intensive interaction and then we move onto colorful semantics.

## Things to Remember

### Tapestry

Please do check Tapestry to see what your child has been up to over the week and if you want to upload any learning from home you can do this also.

### Reading

The children will receive a new story book each week. We would love to hear about story time at home by either a comment in their reading diary or on Tapestry!

### Adults

Mrs Anderson (Assistant Headteacher)  
Miss Potter (Phase Leader for Explorers)  
Mrs Hodgson (SENCO)  
Mrs Browne and Mrs Reyes (Teachers in Explorers)  
Miss Jacob, Miss Simpson, Mrs Shaheen, Mrs Dalka
