## Targets

All children have 5 weekly targets that they work on with the adults in Explorers.

Targets are carefully thought out based on your child's needs and they will correlate to their EHCP or outside professional reports.

Targets are reviewed weekly and changed if we feel your child has achieved them.

**Read Write Inc.**  
Phonics

## Daily Numeracy and Phonics

In explorers, we teach Maths and Phonics on a one-to-one basis. Your child's one-to-one session is based on where they are currently at in their learning development. Following this, the children can then explore their learning about numbers and shapes, and phonics and writing within the provision too.

## Language

- Throughout every day, we have a consistent approach to language.
- We start with intensive interaction and then we move onto colorful semantics.
