Who am I?.
Week 4 WC 21st September
Healthy eating.
Week 5 WC 28th September
Baking.
Week 6 WC 5th October
Feelings
Week 7 WC 12th
October
Shops/Money
Visit the shop
Week 8 WC 19th
October
Shapes

Targets

All children have 5 weekly targets that they work on with the adults in Explorers.

Targets are carefully thought out based on your child's needs and they will correlate to their EHCP or outside professional reports.

Targets are reviewed weekly and changed if we feel your child has achieved them.

Read Write Inc.
Phonics

Daily Numeracy and Phonics

In explorers, we teach Maths and Phonics on a one-to-one basis. Your child's one-to-one session is based on where they are currently at in their learning development. Following this, the children can then explore their learning about numbers and shapes, and phonics and writing within the provision too.

Language

- Throughout every day, we have a consistent approach to language.
- We start with intensive interaction and then we move onto colorful semantics.

Weekly Forest School

Week 1

Using tools safely

Week 2-

Climbing and balancing

Week- 3

Sounds of the forest

Week 4

Building a den

Week 5

Mud squeezing

Week 6

Water play

Phonics

Life Skills lessons

Week 2

Sandwiches

Week 3

Emergency services

Week 4

Making cookies

Week 5

Dentist

Week 6

Making pizzas

Week 7

Opticians

Week 8

Making cakes

Tapestry

Please do check Tapestry to see what your child has been up to over the week and if you want to upload any learning from home you can do this also.

Reading

The children will receive a new story book each week. We would love to hear about story time at home by either a comment in their reading diary or on Tapestry!

Adults

Mrs Reyes (Class teacher)
Miss Simpson, Miss Harvey-Wilson
& Mrs Afsal (TA's)
